

Nestlé PURINA

Team Leader-Production

Nestlé Purina PetCare Company has an immediate opening for a Team Leader-Production at our Flagstaff, AZ production facility.

POSITION SUMMARY:

To coordinate the operation of one of the Production departments: Unloading, Packing, Processing, or Operator Pool. To supervise and direct the team members in this department in a manner that will maximize productivity and efficiency and minimize cost, while maintaining good quality sanitation.

POSITION DUTIES:

- Directly supervise team members within the Production Department.
- Coordinate overall Production Department operations with other shift Team Leaders.
- Supervise and direct trouble call activities with the shift maintenance team members.
- Maintain housekeeping and sanitation standards in the Production areas.
- Plan and coordinate department operations in a productive and efficient manner.
- All other duties as assigned by Production Manager.

MINIMUM QUALIFICATIONS:

- High School Diploma or GED
- At least 3 years of supervisory experience, preferably in a manufacturing environment
- Must be able to work overtime, weekends, and holidays as needed
- Leadership and development experience
- Experience with MS Office products
